**Come And Meet Each Other and learn something
new from your CAMEO sisters!!!**

President's Corner...

I am in awe of the talent displayed by Lenore Crawford at our January meeting. It is truly impressive when artists use fabric as a medium to create such moving pieces. If you missed her in January or want the opportunity to see her work once again she will be lecturing at Metro Guild on the 15th of February.

Thanks to all who worked so hard to make the January edition of National Quilting Day a huge success! The opportunity to get together with our quilting friends is priceless.

February is our traditional Whistle Stop meeting. We have four members who have stepped up to share sewing and quilting tips which you won't want to miss. Then on Saturday February 19th we'll savor another CAMEO tradition - our Annual Charity Day! This is a totally free, very enjoyable day, when we take time to work on projects for our various charities. We'll meet at our usual location, Clawson United Methodist Church. Details are inside the newsletter.

For our March 17th meeting, we have asked Quilt Designer, Diana Malone to present a lecture and trunk show. Diana designs quilts for RJR Fabrics to introduce new fabric lines. She will share some behind the scenes stories and show a few of the quilts which have appeared on the cover of McCall's and some of our other favorite magazines. This is sure to be a delightful evening.

Reminder: get your registration forms in for (1) Pat Speth's April workshop, (2) our Annual Spring Retreat and (3) your show quilts. It's only a little over three months until the Quilt Show!

Keep those sewing machines humming!

Charity Day is coming soon

When: Saturday, February 19, 2011

Time: 9:00am to 3:00 pm.

Where: Clawson United Methodist Church

Charity Day is the Saturday after our February meeting. The theme this year is Mexican Fiesta. OLE!!

This annual sewing event is a day dedicated exclusively to working on Charity projects. Kits, fabric and batting will be available but you can certainly work on a charity project using your fabrics and patterns. It is free to all members.

The Tex-Mex café will be open for breakfast at 9:00 am with coffee and tea, fruit and a delicious variety of quick breads made by members of the Charity Day committee.

Lunch will be served at 12:00 noon. The menu features 3 kinds of chili, salad, along with some yummy desserts.

Bring your sewing machines, sewing supplies, extension cords and power strips.

Ironing stations and cutting stations will be set up for you. And oh yes, there are door prizes too.

The Charity Day Committee looks forward to seeing you there.

2010/2011 Challenge *Carole Gilbert and Peggy Grunow*

Just a reminder that the time to complete the 2011 CAMEO Challenge is going fast. Your Challenge item is due to be displayed at the April meeting. I'm really looking forward to some novel "non-quilts". Remember to have your Quilt Show submission form filled out to give to Jeanne Becher that night.

We should have some really neat stuff to display in the Challenge Section at the Show.

To My CAMEO friends:

I have been attending quilt shows in Florida. I would like to have you look at some different patterns. I am not a "Rooster" person but these wallhangings were just beautiful. The designer also had some cats and other animal applique patterns.

Checkout her site: www.maggiwalkerdesign.com

Hope you are having time to stitch,

Doris Crowl

Starting to get the winter blues? Well, mark your calendar for February 17th and be ready to reconnect with old friends. I will be sending out invitations to our last year CAMEO Members who did not renew their membership. The postcard will be their "get in" free pass to be able to enjoy the Whistle Stop and rekindle old friendships. It will be so good to see old sewing sisters again and perhaps encourage them to rejoin. Let's pray for a good turnout.

NATIONAL QUILTING DAY - *Carole Gilbert*

A hardy group of twenty-seven CAMEO quilters met on Saturday, January 22 for National Quilting Day.

Early in the morning, the bagels were still warm from the oven and coffee and tea were just the thing for a coffee klatch around the table.

Giggles and laughter filled the room most of the day - except when the group was busy eating lunch! Again, the baked potato bar with all the trimmings was a huge success. It appeared that a number of projects were started and finished, so there should be lots of Show and Tell as well as offerings for the Quilt Show.

A big THANKS to the wonderful committee who planned and executed the day: Jean Forrester, Penny Frade, Peggy Grunow, Kit Kramer, Nancy Paris, and Jackie Speer. And thanks to Pat Baldauf for the loan of her roaster.

CAMEO's Raffle Quilt - Jane Aul

The Quilt is on the road again. Kathy Wilson is taking her to her sports league the first part of February. It is scheduled to make a 2nd appearance at Great Lakes Heritage on Thursday, February 10, 2011. Barb Lusk has offered to take it to the meeting that evening. Pat Smith is also a member of Great Lakes and should be available to help Barb that evening. It is also scheduled to be shown at the Town Hall Quilt Guild in Clarkston on Tuesday, February 15, 2011, and will be escorted by Barb Lusk, Pat Smith and myself. The Quilt is scheduled to be shown at the Greater Ann Arbor Quilt Guild on Saturday, March 19, 2011. I need 1 or 2 volunteers to accompany the quilt that day to Ann Arbor. There is a \$10 guest fee per person that they have requested our member(s) pay. Please contact me if you are able to do this on behalf of the Guild.

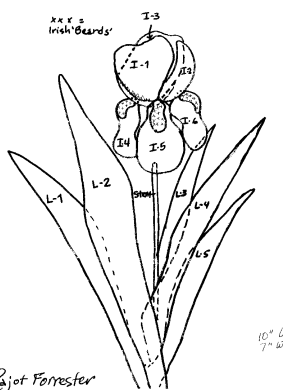

I want to thank all the members that have accompanied the quilt over the past few months. Your help is greatly appreciated. I will keep you all posted on any further scheduled dates for the Quilt to be shown. The national orchestra of Monaco has more individuals than its army. If you have a group or event you would like to show the quilt and offer tickets for sale, please let me know. The more we get it out and about, the more tickets we can sell. Thank You Everyone!!!

CAMEO Quilt Show Boutique Info—Renee Biehl

We need any of the items that you are making for the Boutique to be turned-in by our April meeting— Thursday, April 21, 2011.

We are looking for any scraps, buttons, magazines, and books that you would like to donate. If you don't want to bring these items to the guild meetings, we can arrange to have you drop them off at my house. Thanks to those that have already donated.

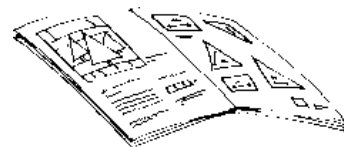

I would also like to again say "Thanks" to the members that have already been able to help with the planning and sewing.

LEAFING THROUGH THE LIBRARY

with Sandy Peiss, Library Chm

The Guild would like to thank Jackie Davis for her generous donation of the Book, *Return to Elm Creek* by Jennifer Chiaverini. This is a great addition to your Library. The gallery of quilts is beautiful and I had a hard time choosing which one I might want to do first. She also tells the stories from her novels and how they relate to the quilts. Please check out this book and all the other wonderful treasures in your library.

If you have any books checked out, remember they are due at the February meeting. If you wish to renew them, please contact me before the meeting. By the way, Beth Speth's book CANNOT be renewed. It has a waiting list. We do have a workshop coming up in the near future and we want to preview her work. Please return it on time! Your CAMEO Sisters will be grateful.

Another reminder, the library is getting lonely. It is looking for CAMEO members to visit it at home. To view the entire collection is quite an experience. You will really appreciate its value when you see it all together. Call me and we can arrange a mutually convenient time.

Future Lectures and/or Workshops

This is a short update with regard to the lectures and workshops that I have arranged for CAMEO for guild year 2011-2012. We will be welcoming Award Winning Wholecloth Quilt Artist, Judy Woodworth, on November 17, 2011, for her presentation on wholecloth quilting. She will also present her workshop

“Designing Your Own Wholecloth Quilt” on Friday, November 18 and Saturday, November 19. We will also welcome Edyta Sitar on January 19, 2012, for a presentation and trunk show along with workshops on Friday, January 20 and Saturday, January 21. I have also tentatively scheduled Quilt Artist, Terry

White for May 17-19, 2012. Please take a few minutes and look on our website for further information regarding these scheduled events. At the February meeting, I will have with me books and other information from Judy Woodworth and Terry White. You are welcome to review these materials and ask any questions you may have. I will do the best I can to answer them. I will also have with me sign-up sheets for all three of these workshops. If you are interested, please feel free to fill this form out and forward it to me along with your check in order to secure a spot in the workshop(s) you are interested in. I want to thank all of you for your comments, suggestions and information which helped me make these arrangements. I believe these Quilters will bring a lot of excitement and information to our Guild during their visits. If you have any questions, please contact me at mickeyrules@sbcglobal.net.

Retreat at Lions Bear Lake Camp

We are again accepting applications with deposits of \$50.00 for the annual retreat to Lions Bear Lake Camp in Lapeer, MI. The retreat will take place on *April 29, 30 and May 1st*. This is a great time to finish up your UFO's that you plan to put into the quilt show as well as other UFO's that have been sitting in your closet forever. The total cost for the weekend is \$100.00 and if you choose to do the mystery quilt project the total cost will be \$102.00. These fees must be paid not later than *March 17th*. Refunds will be allowed until the March CAMEO meeting. We need to know if you are planning on attending soon, so that we are sure that we have enough materials if you plan on constructing any of other Make 'n Take projects that we have, or plan on doing the mystery quilt.

If you plan on doing the mystery quilt with us, we need to know this by the *1st of March* so that we have enough patterns for everyone that will be given out at the March meeting. You will be given purchasing guidelines and also your cutting instructions. If you plan on getting your quilt top done on the weekend, it is advised that you cut your fabric before you arrive for the weekend. The cost of the mystery this year is only \$2.00. You do NOT need to be attending the retreat weekend to get the pattern, however, you will only be given the purchasing guidelines and cutting instructions before the retreat and the rest will come after we return.

We have a weekend of fun projects, that you may or may not choose to do. Our committee is working hard to build up a weekend of relaxing events as we have done in previous years. You are not mandated to do any or all of the events that we have planned. But we are sure that you won't want to miss them!!!

We stay in nice, heated cabins with running water and flush toilets. Our meals are all made for us and all we have to do is pick up our dishes and put them in a tray to be washed. We have a wonderful room that we sew and dine in. We provide snacks on both evenings, along with coffee, tea and hot chocolate available to us all day. The arrival time on Friday afternoon is 2 P.M. and we need to leave the property by 2:30 p.m. on Sunday. Won't you consider going with us this year? You won't want to miss this!!! Any questions, please feel free to contact Barbara Veselenak or any member of the retreat committee-they would be glad to answer any questions that you might have.

Barbara Veselenak - Retreat Committee Chair

CAMEO QUILTER'S GUILD GENERAL MEETING MINUTES 8 JANUARY 20, 2011 Submitted by Bev. Olson

Meeting Called to order at 7:09PM – Pledge of Allegiance

PRESIDENT – BARB LUSK - If you haven't signed in, yet, please do so. Please turn off or set to vibrate, your cell phone to be courteous to others during the meeting. Welcome! To Cameo Quilters Guild. Our name, Cameo (Come and Meet Each Other). We meet on the third Thursday of each month from September to June to "promote and preserve the art of quilting, patchwork, appliqué' and related fiber arts. We sponsor workshops, lectures, and displays to stimulate an interest in quilting, provide occasions for friends to meet, and to engage in the charitable efforts of the group. We are so glad you are here.

After Barb's introduction, she asks that anyone with suggestions or comments about the meeting tonight, or questions, concerns or suggestions about the guild in general, please see her after the meeting, call or email her or any board member.

MINUTES - The minutes of the December, 2010 General Meeting were approved as published in the January Newsletter. They will be signed, dated and placed on file.

TREASURER – JANEEN SHARPE - The financial report was given, accepted, and will be signed, dated and placed on file.

It was noted that it is good to know what moneys come in and go out.

OFFICER AND COMMITTEE REPORTS AND SPECIAL ORDERS/NEW BUSINESS

PRESIDENT - Barb thanked everyone for the kind thoughts, prayers, cards, phone calls and especially the heart and hug she received following the injury to my knee and eventual surgery.

- Remember to register for Pat Speth's workshop April 20.
- Refer to the January newsletter regarding the Retreat. Registration form and deposit can be turned in tonight.
- Be sure to get your quilt information down on the forms and to Jean Becher as soon as possible.

QUILT SHOW UPDATE: DOROTHY STREFFLING - There are only 16 weeks left before the show. With 71 members now and 100 for the last show, means we all need to work a little harder to make this show a success. Please block out these 3 days on your calendar! Set up day is Thursday, May 12 and the show days are Friday/Saturday May 13-14. Plan on spending as much time as possible at the venue. Staffing will do their best to provide jobs that are suitable to members needs. Please be open to working where ever you are needed.

- Also, the workshops with Beth Donaldson are on Wednesday, May 11 and will be held at Lutheran Church of the Master. The workshops are limited in class size and open to non-members, so sign up soon to ensure your spot. There will also be a lecture by Beth Donaldson on Friday night after the show closes. That lecture is also open to the public. Please mention all these activities to your friends.
- We've only sold 1,600 raffle tickets out of 5,000 through 12/31/10! If you have ticket stubs and money, please turn them into Lynda Draudt. It's important to sell the tickets. Every \$1 helps our guild. The Raffle Quilt committee worked for an entire year on this quilt and it would be a shame if we did not sell all the tickets!

- Even if you can't take the quilt around, you can still "sell" our show. Take a supply of bookmarks and ask if you can leave a few at the fabric shops and other businesses you frequent. Talk to your friends about the show. Don't be shy! We have a beautiful raffle quilt and will have a fantastic show with over 200 quilts, boutique, and vendors.

- Registration forms need to be turned in whether or not your quilt is done. Remember, you only need the name and approximate size of your quilt. 2 photos can be brought later. We will open the registration to outsiders in March, so get your forms in now to be sure there is a place for your quilts. Also, anything quilted needs a registration form, such as jackets or other wearable's, pillows, etc. Charity quilt displays also needs forms, and doesn't count as 1 of your 2 quilts for the show.

- The last day for scheduled boutique workshops was Jan. 13. Please continue making items on your own. Maybe you can work on a boutique item at National Quilting Day, January 22. The Boutique committee would like to have an idea of the items members are planning to donate/sell. There is a sign-up sheet circulating. Your items can be given to Renee Beihl. Samples of the Featherweight quilted cases that were made and the last sewing day were shown.

- Anyone who has any kind of item that can be used in the Quilt Show displays, such as antiques, furniture items, small benches, baskets, etc., contact Dorothy Streffling.

- We all need to pitch in to ensure the success of our show. This is our big money maker so the more raffle tickets, boutique items and admission tickets we sell, the higher our profit! This translates into more money to bring in the best speakers and enhance our other Guild programs, as well.

CHARITY – SALLY CARL - Charity Day is February 19, 2011. It is 9AM-3PM, with a Mexican Fiesta lunch. Bring your sewing machine, tools, and electric cords. It is free to all members. It's a good day for fellowship with our fellow quilters and work on our charity projects.

VICE PRESIDENT FACILITATOR – JODIE SCHLICHT - Jodie welcomed our speaker, Lenore Crawford, and reminded us of our upcoming events.

February 17: Whistle Stop March 17: TBA

April 20: Pat Speth Workshop-Nickel Quilts, from 9AM-3PM at the Clawson Hunter Senior Center. There are 10 spaces left. Pat's lecture will be that eve. at our Cameo General Meeting, which is Wednesday this month instead of Thursday.

May 19: Ruth McCormick showing us T-Shirt Memory Quilts.

NATIONAL QUILTING DAY – CAROLE GILBERT - Saturday, January 29, 2011, at the Clawson Methodist Church. There will be the popular potato bar for lunch. There is still time to sign up for the Challenge.

LIBRARY – SAUNDRA PEISS - The library is open before the meeting, during break time, and after the meeting. The library is closed during the meeting. It is not a self-serve library. A member of the Library Committee must check materials in and out.

WEB SITE - Be sure to send your information/dates to the CameoQuilters@GMAIL.com

FABRIC EXCHANGE – SHARON CRASTENBURG - Nothing to report.

MEMBERSHIP VICE PRESIDENT – BETTY CARPENTER There were 48 members present and 3 guests. The total number of members is 71. Happy Birthday to all the January birthdays.

SCHEDULER VICE PRESIDENT – JANE AULA - Nothing to report.

Check out the information table for area guild happenings.

SNACK BREAK - Please introduce yourself to others, and welcome guests and new members.

PROGRAM – FACILITATOR VP JODIE SCHLICT - Jodie introduced the evening's speaker, Lenore Crawford who comes to us from Midland, Michigan. Lenore's quilts have been featured on the cover of American Quilter Magazine (Spring, 2007 and Winter, 2008) and she was featured in "The Meetin' Place" article in the November, 2002 issue of Quilter's Newsletter Magazine. Lenore's fabric art combines her love of France, their architecture, and flower gardens along with her passion for color and realism. The texture and warmth achieved from the fabric itself along with fabric painting give the art an impressionistic feeling that only this medium can produce.

- The Slip of the Keyboard was "San Jose was the original capital of California", and was won by Nancy Paris. Don't forget to watch for it in the newsletter and enter the drawing at the General Meeting.
- Show and tell is always a treat. Remember that we are all at different skill levels, some beginners and others advanced and whatever level a person is at, we've all been there and would still like to see what they've been working on. We all don't quilt like pros.
- The deadline for executive board agenda items is Sunday, January 23.
- Executive Board meeting is 7 PM – Thursday, January 27th at the home of Betty Carpenter.
- The deadline for the February newsletter is January 27th.
- The deadline for the next guild agenda items is February 14th.
- Meeting adjourned at 9:16PM

Instructions for registering a quilt in the 2011 CAMEO Quilt Show

1. Thank you for entering your quilt in the 2011 CAMEO Quilt Show. Fill in one registration form for each quilt item submitted. Fill in the top half of the form. Do not fill in the Registration Number. Return this form on or before March 30, 2011 to the Receiving Committee Chairperson listed on the bottom of the form. I am now accepting these forms and the earlier the better. Quilts entered in previous CAMEO Quilt Shows cannot be entered. You may also want to take the time to register this quilt with the Michigan State University Museum's Michigan Quilt Project. This is a project to save our stories and archive the history information of our Michigan quilts and Quilters. You can download their application at this website: http://www.museum.msu.edu/glqc/programs_mqp_register.html

2. When you drop-off your quilt to the Receiving Committee, every quilt entered must include 2 photos of the quilt with the Registrant's Name and Quilt Title on the back of the photos. The Receiving Committee will write the registration number on the photo back. The second photo you will have to bring back when you are picking up your quilt along with your quilt claim check.

3. Every quilt must have a sewn on fabric label to include Title of the quilt and Registrant's Name. This label must be embroidered, typed or printed with permanent ink pen on a piece of fabric and sewn onto the lower portion of the back of the quilt.

4. Wall hangings smaller than 42" square will be pinned for hanging.

5. Print what you want to appear in the Program catalog for the quilt show. Staple another piece of paper to this form if you need additional space. Some ideas would be to include quilt pattern, type of material & batting used, how you came to make this particular quilt, any special significance of the work, if the quilt has been included in any juried shows, special stitching, inspiration, how long you have been quilting, the product of a class you took. If your quilt is made from a pattern or is a copy of someone else's work, you must give credit to the original designer. If the quilt is an heirloom tell how it got to you, if it is a family piece, list information about where it came from, who stitched it, the date the quilt was created, etc. Program space is limited, so please be brief.

6. Leave the registration number and the bottom half of the form blank. The Receiving Committee will assign registration numbers and the bottom half of this form will be completed when you drop off the quilt at Madison Place on Thursday, May 12, 2011 between 11:00am and 6:00pm.

7. The quilt show will end at 4:00pm Saturday, May 14, 2011. At this time, the quilts will be taken down and returned to the Receiving Committee. Your quilt should be picked up from the Receiving Committee between 4:30pm and 5:30pm, on Saturday, May 14, 2011. You will need to bring your "Quilt Claim Check" and the photo with the registration information on the back with you to claim your quilt. If you cannot pick up your quilt and are asking someone else to pick it up, please inform the Receiving Committee Chairperson ahead of time. Only the Registrants will be able to pick up their quilts unless arrangements have been made in advance.

DRAFTING MADE EASY! Why do you need to learn drafting? You don't. There are so many great books and patterns available you don't need to master this technique. My simple approach will change your mind about drafting. You'll learn to draft any block, any size, graduate from simple blocks and concepts to blocks that are more challenging - even create a new block of your own. Learning to draft helps you assess the accuracy of patterns and blocks or alter patterns for size. I promise to teach you this without mentioning angles or math!

DESIGNING ON POINT Learn the secrets of designing quilts on point. Discover which blocks work best on point and how to draft them. My tricks make diagonally set blocks interchange with favorite blocks and open a whole new world of quilt design that's simple to understand. Topics covered: block size, rotary cutting vs templates (when to use each), settings (including alternating blocks, sashings, edge and corner triangles), borders and quilting patterns. Let my guidelines make the math easy!

SUPPLY LIST For Both Classes; Sharp pencil (I use a 7 mm mechanical pencil); good eraser (white Magic Rub), at least 3 sheets of graph paper, 17" x 22", 8 squares to the inch. I will have sheets to sell in class for 50¢ each if you can't find any; 3" x 18" Graph Ruler™. This is a thin clear ruler with red lines. It is not used for rotary cutting. It has an c" grid on it.

OPTIONAL: Protractor & Compass (I will demonstrate ways to use these tools, if time permits. Bring them if you have them. DON'T buy them if you don't own them already!) An unfinished project or group of blocks that you'd like advice on. See how drafting can help you move your projects along. A calculator for the Designing On Point Class, Ott-Lite would be helpful.
